About the DMC Guild...

Since the Guild's beginning in 1983 as the Hutzel Hospital Men's Guild, we have always held that we can support DMC's serious mission by raising funds in an enjoyable, friendly atmosphere. In doing so, the Guild has raised over \$3 million so far.

To grow with our growing health systems, the Guild changed its name and focus to encompass the entire DMC and membership is open to everyone who is or wants to be affiliated with us.

The old saying is tried and true: the more, the merrier. And once you join, we're sure you will find even more good reasons to make you glad you're a member of the DMC Guild.

**DMC Guild
Membership Application**

What makes a great institution like the Detroit Medical Center greater? Dedicated people like the DMC Guild. In their mission of supporting the work of the Detroit Medical Center (DMC), the DMC Guild provides educational, recreational and fundraising events that offer opportunities to network among professionals and business acquaintances.

Dating back to the 1880s, the DMC has provided high quality, convenient and consistent health care services in the metropolitan Detroit area. The Detroit Medical Center has made some tremendous strides over the past couple of years. Every day, we are striving to not only meet, but to exceed our customers' expectations.

From our 1-888-DMC-2500 Call Center number, where users can find a physician or speak to a registered nurse 24 hours a day, seven days a week, to our 29 Minute Emergency Room Guarantee, which promises that patients will be seen by a physician in 29 minutes or less, great things are happening at the DMC. Everyone, from our physicians, to our nurses, to our volunteers, plays an important role in our success.

I invite you to become a part of the DMC Guild team. Please consider joining the DMC Guild, an organization that will provide you with fulfillment, enjoyment and a remarkable sense of pride as you give back to the community.
